SOCIAL AND POLITICAL ACTIVITIES

[30/10/2021 – Current]

Scout Leader

Vicenza

In 2021, having completed my journey as a scout, I felt the need to give back at least a little of everything that scouting had given me, and I took on the role of scout leader in the same group where I grew up.

Being an educator is a constant challenge that requires constant care and attention to each individual child. It is never possible to be ready for every eventuality, despite the training provided by AGESCI and the experience accumulated over the years, so there is always a need for a degree of trust in other leaders, the young scouts and their families.

HOBBIES AND INTERESTS

Ski mountaineering

Few trusted companions, painstaking planning beforehand, constant attention on the snowy terrain during the activity, good body coordination and physical fitness to be safe and enjoy every outing. All necessary elements to practice this discipline and, together with my love for the mountains make it my favourite activity.
