Personal Projects

In November 2021 I confounded the Social Promotion Association MRUV Project, of which I currently am the vice president.

The MRUV project aims to create a network, including universities, research institutes, and companies, for collaborating at the European level in marine and underwater research. It also promotes the design of means and facilities for marine scientific research and its promotion.

The main tasks I carry out are related to:

- Strategic planning;
- Public relations;
- Communication and Promotion
