Congresses presentations

- 2019 Presentation of the paper “Macroeconomic Effects of EU Energy Efficiency Regulations on Household Dishwashers, Washing Machines and Washer Dryers” to the I EU Conference Modelling for Policy, Brussels, Belgium.
- 2019 Presentation of the technical report “Macroeconomic effects of US tariffs on steel and aluminium: who would pay the bill?” to the II HREAL WORKSHOP, Seville, Spain.
- 2018 Presentation of the technical report “Macroeconomic effects of US tariffs on steel and aluminium: who would pay the bill?” to the 1st Annual Gathering of the Community of Practice on Modelling, Ispra, Italy.
- 2016 Presentation of the working paper “Carbon-motivated border tax adjustment. A proposal for the EU” to the XLI Symposium Of the Spanish Economic Association, Bilbao, Spain.
- 2016 Presentation of the working paper “Carbon-motivated border tax adjustment. A proposal for the EU” to the Florence School of Regulation Climate Conference, Firenze, Italy.
- 2016 Presentation of the working paper “Carbon-motivated border tax adjustment. A proposal for the EU” to the IV Workshop in Industrial and Public Economics, Reus, Spain.
- 2015 Presentation of the working paper “Carbon-motivated border tax adjustment. A proposal for the EU” to the VI Spanish Conference of Input-Output Analysis, Barcelona, Spain.
- 2015 Presentation of the working paper “Carbon-motivated border tax adjustment. A proposal for the EU” to the XXII International Input-Output Conference, Ciudad de Mexico, Mexico.
- 2015 Presentation of the working paper “Carbon-motivated border tax adjustment. A proposal for the EU” to the XI Biennial Conference of the European Society for Ecological Economics, Leeds, UK.
- 2013 Presentation of the working paper “The Effect of the European Tax Directive Reform on Prices in Europe” to the V Spanish Conference of Input-Output Analysis, Sevilla, Spain.
- 2013 Presentation of the working paper “The Effect of the European Tax Directive Reform on Prices in Europe” to the XXI International Input Output Conference, Kitakyushu, Japan.
- 2013 Presentation of the working paper “The Effect of the European Tax Directive Reform on Prices in Europe” to the XVI Applied Economics Meeting, Granada, Spain.
- 2011 Presentation of the working paper “Environmental Structural Decomposition Analysis of Italian Emissions, 1995-2005” to the I Encuentro de la Asociación de Economía Ecológica en España, Barcelona, Spain.
- 2011 Presentation of the working paper “Environmental Structural Decomposition Analysis of Italian Emissions, 1995-2005” to the IV Spanish Conference of Input-Output Analysis, Madrid, Spain.

Related professional experience

- 2015 Local organizing committee at the VI Spanish Conference of Input-Output Analysis, *University of Barcelona*, Barcelona, Spain.
- 2013 Research assistant: Survey on Business Strategy, panel data updating. *University of Barcelona*, Barcelona, Spain.
- 2010-2011 Research assistant: Entrepreneurship and Business Models. *IESE Business School*, Barcelona, Spain.
- 2003 Research assistant: European Programs Implementation of Economic Development for ACP countries (University Training Period). *Economisti Associati*, Bologna, Italy.

Participation in projects

- Universitat Loyola (Seville), participation to the research team “Research in Applied and Computational Macroeconomics”.
- Universitat Autònoma de Barcelona, “Actividad económica y emisiones de gases de efecto invernadero” (Main researcher: Emilio Padilla Rosa), ECO2012-34591 *Ministerio de Economía y Competitividad*.
- Universitat de Barcelona, “Economia, energia i pressions ambientals” (Main resercher: Jordi Roca Jusmet), SGR 950, *Agencia de Gestió de Ajuts Universitaris i de Recerca*.
