WORK EXPERIENCE

Scientific Affiliation for Academic Research - Master thesis project

CMCC Foundation [01/02/2025 – Current]

City: Venice | Country: Italy

I am currently working on the calculation of Systemic Cooling Poverty Index, a multidimensional indicator for measuring summer energy poverty, on the metropolitan area of Venice, in the perspective of supporting local decision-makers during the implementation of differently-targeted climate shelters.

Research Internship

CMCC Foundation [02/09/2024 – 30/11/2024]

City: Venice | Country: Italy

I have had the opportunity to work under the ECIP division (Economic analysis on Climate Impacts and Policy) on the topics of Thermal Justice and Energy Poverty, mainly performing public policies analysis. I have also been working on literature reviews, studying the state of art of literature for different projects.
