Personal skills and competences

I am a dedicated researcher in Cultural and Social Anthropology with extensive experience in fieldwork and ethnographic studies within urban contexts, focusing on social inequalities. Following my Master Degree, I sought to expand my skill set through a 2<sup>nd</sup> level Master Degree and gained valuable experience as a secondary school teacher. During this period, I remained actively engaged with the academic community by participating in conferences, seminars, teaching assistance, and contributing for educational manuals.

Computer skills and competences	Microsoft Office package: Microsoft Word, Excel, Power Point, Access; qualitative and quantitative data analysis; content creation; web design and development
Driving licence	B
