

Europass Curriculum Vitae

Personal information

Surname(s) / First name(s) **Dr. CASSINELLI MARIAESTER**

Office Address(es) RFF-CMCC European Institute on Economics and the Environment (EIEE)
c/o BASE, Via Bergognone 34, 20144 Milano

Telephone(s) Office: + 39.342.6133782

E-mail mariaester.cassinelli@cmcc.it, mariaester.cassinelli@eiee.org

Nationality Italian

Gender Female

Work experience

Dates 2018 - present

Occupation or position held Division Manager, Manager, Project Manager, Senior Scientific Manager, Researcher

Main activities and responsibilities Division Manager of the "Sustainable Earth Modelling Economics" (SEME) Research Division
Manager del "RFF-CMCC European Institute on Economics and the Environment" (EIEE)
Project Manager and Senior Scientific Manager of several European and international research projects of the EIEE Institute and the SEME Research Division

Name and address of employer Euro-Mediterranean Center on Climate Change Foundation, c/o BASE, Via Bergognone 34, 20144 Milano, Italy

Type of business or sector Non-profit research institution with the aim to investigate and model the climate system and its interactions with society and the environment

Dates 2004 – 2018

Occupation or position Programme Officer, Project Manager, Senior Researcher, Fund Raising and European Project Office

Main activities and responsibilities held Project and Programme Management, Research, responsible of the management and reporting of funded projects, coordinator of the Project Office

- Programme Officer of the Research Programmes on "International Energy Markets" (IEM), "Mitigation, Innovation and Transformation and Pathways" (MITP) and "Climate and Sustainable Innovation"
- Project manager of European and international project, even coordinated by FEEM
- Member of the Projects and Fundraising Office – coordinator of reporting and management of funded projects
- In 2018, Coordinator of FEEM's Project Office

Name and address of employer Fondazione Eni Enrico Mattei, 63, corso Magenta, 20123, Milan, Italy

Type of business or sector Non-profit research institution on sustainable development and global governance

Dates 2013 - 2017

Occupation or position held	Senior Scientific Manager, Researcher and Project Manager
Main activities and responsibilities	Research and Project Management; Currently involved in <i>Economic analysis of Climate Impacts and Policy (ECIP) Division</i>
Name and address of employer	Euro-Mediterranean Center on Climate Change, 63, corso Magenta, 20123, Milan, Italy
Type of business or sector	Non-profit research institution on climate change
Dates	June 2007 - present
Occupation or position held	President
Main activities and responsibilities	Management, planning and realization of the activities of environmental education for schools and public agencies
Name and address of employer	Associazione Battito D'Ali, 53, via Gaggio, 22070, Senna Comasco (Como), Italy
Type of business or sector	Environmental Education and Sustainable Development
Dates	May 2004 – June 2007
Occupation or position held	Collaborator
Main activities and responsibilities	Planning and realization of the activities of environmental education for schools and public agencies
Name and address of employer	Gruppo Battito D'Ali, 53, via Gaggio, 22070, Senna Comasco (Como), Italy
Type of business or sector	Environmental Education and Sustainable Development
Dates	November 2005 and July/August 2007
Occupation or position held	Junior Researcher
Main activities and responsibilities	research
Name and address of employer	FEEM Servizi S.r.l., corso Magenta 63, 20123 Milano
Type of business or sector	Consulting firm on Environment, Economics and Sustainability
Dates	October 2003 - December 2003
Occupation or position held	Lecturer in General Computer Science
Main activities and responsibilities	Teaching General Computer Sciences, preparing applications and exercises at Graduate Students Level
Name and address of employer	Università degli Studi Milano Bicocca, 1, piazza dell'Ateneo Nuovo, 20126, Milano
Dates	July 2003 - December 2003
Occupation or position held	Stagiaire
Main activities and responsibilities	Collaboration to the project: "Using Data Envelopment Analysis to Evaluate Environmental Consciousness Management", presented at international Conference: "Tourism and Sustainable Economic Development Macro and Micro Economic Issues", Sardinia, Italy, 19-20 September 2003.
Name and address of employer	Fondazione Eni Enrico Mattei, 63, corso Magenta, 20123, Milan, Italy
Type of business or sector	Research Center on Environment, Economics and Sustainability

Dates 2003

Occupation or position held Lecturer

Main activities and responsibilities Lecturer at the “IIX Course of Environmental Culture” organized by the “Pineta di Appiano Gentile e Tradate” Park

Name and address of employer Parco Pineta di Appiano Gentile e Tradate, via Manzoni 11, Castelnuovo Bozzente, 22070, Como, Italy

Dates November 2002 – February 2003

Occupation or position held Advisor

Main activities and responsibilities On behalf Consorzio Milano Ricerche, at the “Technology and Information” Office of Regione Lombardia, completion of the regional Geographic Information System (GIS) and the management of the public regional thermal systems for Regione Lombardia

Name and address of employer Consorzio Milano Ricerche, 7, via Cicognara, 20129, Milano, Italy

Dates October 2002 – January 2003

Occupation or position held Collaborator

Main activities and responsibilities Teaching assistance for Operation Research and Resource Management (graduate courses)

Name and address of employer Università degli Studi Milano Bicocca, 1, piazza dell’Ateneo Nuovo, 20126, Milano, Italy

Dates 2002

Occupation or position held Advisor

Main activities and responsibilities Contribution to the drawing up of the “Piano di Settore di fruizione sociale, ricreativa e culturale” (Sectoral plan for social, recreational and cultural use) and of the “Piano di Settore delle cascine e del patrimonio rurale” (Sectoral plan for farms and rural heritage) of “Pineta di Appiano Gentile e Tradate” Park

Name and address of employer Parco Pineta di Appiano Gentile e Tradate, 11, via Manzoni, Castelnuovo Bozzente, 22070, Como, Italy

Education and training

Dates 2003

Title of qualification awarded Master of Information Technologies for the New Economy, Milano Bicocca University (Milan, Italy)

Principal subjects/occupational skills covered Information Technologies and New Economy (Business organization and management; Extended Enterprise; E-business markets; Project Management; Technological platforms and architectures for e-business; Web planning and development; Data Warehousing; Security of network systems; Data, Web e Text Mining; Knowledge Management; Business Communication; Legal Aspects of e-business)

Name and type of organisation providing education and training Università degli Studi Milano Bicocca, Dipartimento di Informatica Sistemistica e Comunicazione, Milano, Italy

Dates 2003

Title of qualification awarded Degree in Sciences and Technologies for Environment and Land (110/110 cum laude), Milano Bicocca University (Milan, Italy)

Principal subjects/occupational skills Wide range of disciplines, mostly in the mathematical, computer science and statistics, physics,

	covered	chemistries, biological, ecological, of Sciences of Earth, agrarian, legal, economic and evaluative areas Title of the master thesis: "Analysis of the development possibilities of Biological Agriculture in the park Pineta of Appiano Gentile and Tradate"
	Name and type of organisation providing education and training	Università degli Studi Milano Bicocca, Dipartimento di Scienze dell'Ambiente e del Territorio, Milano, Italy
	Level in national or international classification	110/110 cum laude
	Dates	2002
	Title of qualification awarded	Degree in Environmental Sciences (108/110), Milano Bicocca University (Milan, Italy)
	Principal subjects/occupational skills covered	Environmental Sciences
	Name and type of organisation providing education and training	Università degli Studi Milano Bicocca, Dipartimento di Scienze dell'Ambiente e del Territorio, Milano, Italy
	Level in national or international classification	108/110

(*) *Common European Framework of Reference for Languages*

Social skills and competences	<ul style="list-style-type: none"> • Excellent communication skills developed through teaching, giving lectures at national and international meetings, seminars and conferences, and also through an extensive acting experience. • Excellent team attitude, developed by working in national and international teams and by working within interdisciplinary networks • Excellent networking skills developed through participation to national and international projects and networks • Good bargaining skills, developed through project negotiations with partners and funding institutions
Organisational skills and competences	<ul style="list-style-type: none"> • Leadership: supervision of teams, coordination of national and international projects • Excellent experience in project management and team management at national and international level
Computer skills and competences	<ul style="list-style-type: none"> • Good knowledge of Windows nt/1998/2000/XP/VISTA/7/10 • Good knowledge of the most common softwares of Office Automation • Good knowledge of Outlook, Outlook Express, EUDORA, Internet Explorer, SPSS, Crystal Ball, FrontPage, Firefox, Thunderbird, Dreamweaver • Basic knowledge of Web planning (UML) and development (Visual Basic, HTML, XML) • Knowledge of the methodologies of Data Mining and its applications (Clementine) • Good knowledge of ArcView • Good knowledge of Frontier Analyst, DEAP 2.1 • Basic knowledge of AutoCad • Programming languages: basic knowledge of Pascal, C, Visual Basic • Attainment of the European Computer Driving Licence (ECDL)

Other skills and competences Dancing (classic and sport dance), acting, playing piano, writing, reading, playing various sports (swim, ski, tennis, horse riding)

Additional information

- Projects
- CURRENT PROJECTS:
- COBHAM - The role of consumer behaviour and heterogeneity in the integrated assessment of energy and climate policies (ERC, StG) - Senior Scientific Manager – CMCC
 - GEMCLIME - Global Excellence in Modelling of Climate and Energy (EU, H2020) – project management – CMCC
 - COMMIT - Modelling of national greenhouse-gas emission mitigation policies and the relationship with global low emission pathways (EU) – project management – CMCC Srl
 - PENNY - Psychological, social and financial barriers to energy efficiency (EU, H2020) – project management – FEEM
 - DEEDS – DialoguE on European Decarbonisation Strategies (EU, H2020) – project management – FEEM
 - MERCURY – Modeling the European power sector evolution: low-carbon generation technologies (renewables, CCS, nuclear), the electric infrastructure and their role in the EU leadership in climate policy (EU, H2020) – project management – FEEM
 - ROBUST POLICY - Developing a robust decision making framework for climate change policy under uncertainty (EU, H2020) – project management – FEEM
 - COACCH - CO-designing the Assessment of Climate CHange costs (EU, H2020) – project management – FEEM
 - EMF – Energy Modeling Forum (network) – management – FEEM
 - IEW – International Energy Workshop (network) – management and general secretariat – CMCC
- PAST PROJECTS:
- Turismo Sostenibile Basilicata – research – FEEM
 - IAMC – The Integrated Assessment Consortium (network) – management – FEEM
 - RME – Regional Modelling Exercise (network)- management - FEEM
 - PATHWAYS - Exploring transition pathways to sustainable, low carbon societies (EU, FP7) – project management – FEEM
 - ADVANCE – Advanced model development and validation for improved analysis of costs and impacts of mitigation policies (EU, FP7) – project management – FEEM
 - DYNAMIX – DYNAmic policy MIXes for absolute decoupling of environmental impact of EU resource use from economic growth (EU, FP7) – project management – FEEM
 - ENTRACTE – EcoNomic iNsTRuments to Achieve Climate Targets in Europe (EU, FP7) – project management – FEEM
 - LIMITS – Low climate IMPact scenarios and the Implications of required Tight emission control Strategies (EU, FP7) – project management – FEEM
 - GEOCARBON – Operational Global Carbon Observing System (EU, FP7) – research – CMCC
 - GLOBAL-IQ – Impacts Quantification of global changes (EU, FP7) – project management – FEEM
 - SNAC – Elements to develop a National Adaptation Strategy to Climate Change (MATTM) - Strategia Nazionale Adattamento ai Cambiamenti Climatici - settore "Cambiamenti climatici e Turismo" – research – FEEM and CMCC
 - AMPERE – Assessment of Climate Change Mitigation Pathways and Evaluation of the Robustness of Mitigation Cost Estimates (EU, FP7) – project management – FEEM
 - SERRES - Selection of new grape rootstocks resistant to abiotic stresses through the development and validation of physiological and molecular markers (Fondazione AGER) – research - FEEM
 - MEDPRO – Prospective Analysis for the Mediterranean Region (EU, FP7) – project management – FEEM
 - PASHMINA – PARadigm SHifts Modelling and INnovative Approaches (EU, FP7) – project management – FEEM
 - INGINEUS – Impact of Networks, Globalisation, and their Interaction with EU Strategies (EU, FP7) – project management – FEEM
 - EXIOPOL – A New Environmental Accounting Framework Using Externality Data and Input-Output Tools for Policy Analysis (EU, FP6) – project management – FEEM
 - SECURE – Security of Energy Considering its Uncertainty, Risk and Economic implications (EU, FP7) – research and project management, member of the project secretariat – FEEM
 - PLANETS – Probabilistic Long-Term Assessment of New Energy Technology Scenarios (EU, FP7) – research and project management – FEEM

- CHINA – China's Energy Management Policies and Measures & Their International Comparison (IMELS) – project management – FEEM
- NEEDS – New Energy Externalities Developments for Sustainability (EU, FP6) – research and project management – FEEM
- CASES – Cost Assessment of Sustainable Energy Systems (EU, FP6) – research and project management – FEEM
- Coastal Urbanization – research – FEEM
- Turismo e Aree Protette (ECOTUR) – research – FEEM
- Analysis of the tourist phenomenon of the Alta Via dei Monti Liguri System – research – FEEM
- Calcolo dell'indotto generato dalle attività di Polimeri Europa su scala nazionale e regionale – research – FEEM Servizi S.r.l.
- Valuation of Sustainable Tourism Management, using Data Envelopment Analysis Methodology – research – FEEM
- Vega (Bilancio sociale per un parco scientifico tecnologico) – research – FEEM Servizi S.r.l.
- Le Aree Protette Marine E Terrestri: come rendere la tutela ambientale un moltiplicatore di sviluppo locale – research – ICOM

Research Interests Energy and Energy Markets, Climate Change, Sustainable Tourism Management (economic and environmental approach), Climate Change Adaptation in the Tourism Sector, Land and Environmental Planning, Coastal Zone Management, Sustainable Development Strategies, Environmental Politics, Environmental Education, Analysis of Global Changes, Economic and Environmental Valuation of Natural Resources, Data Envelopment Analysis applications, etc.
